

## 'A Celebration of African Wildlife & Tribal Life'

### A Day Trip to Mfangano Island

During your time with us in the Masai Mara, you may wish to take the opportunity of a day trip to Mfangano Island. Lapped by the waters of Lake Victoria shaded by giant fig trees, and lost to the world, Mfangano Island is an oasis of tranquillity with beautiful tropical gardens set on a secluded bay. The flight, in a light aircraft from camp, would take around 45mins, followed by 30mins on a boat to the island.

For those keen fishermen amongst you, the fishing in Lake Victoria is exciting, and both Nile Perch and Tilapia can be caught, which are delicious to eat. You can then savour your freshly caught fish for lunch, prepared by the expert local chefs. All the necessary fishing tackle is supplied and the well-trained boatman will give you all the help that you need. There is also the chance for bird watching, or simply to relax in the sunshine and watch the giant monitor lizards doing the same!

**This day out to Mfangano Island is priced at just £325 per person and includes:**

- Return light aircraft flights to Mfangano Island from the Masai Mara
- Boat transfer from airstrip to Mfangano
- Breakfast and lunch by the lake
- Use of boat for fishing and fishing tackle (optional)
