

EXPERIENCE THE EXCITEMENT & GLAMOUR
OF THE ROLEX MONTE CARLO TENNIS MASTERS
AND A WHOLE LOT MORE!!!
April 13th – 21st 2019

There are two tennis tournaments that the top players all **love**; the first of course is Wimbledon and close on its heels is the first ATP Tournament of the season every April at the Monte Carlo Country Club.

Usually at least 17 of the top 20 men in the world play the Monte Carlo event including the world's top 5. In Monte Carlo, you can see Novak Djokovic, Andy Murray, Roger Federer, Stan Wawrinka, Rafael Nadal, Thomas Berdych and so the list goes on, at singles and doubles - and all at very close quarters in the most beautiful setting of any tennis tournament throughout the world.

Unless you're are lucky enough to get your ticket for Wimbledon through the ballot or from your tennis club, you will be paying around £5,000 per person for a ticket and lunch for the final and about half of that to go on Wednesday or Thursday. I am delighted to tell you that with our packages, including guaranteed Cat 1 tickets opposite the Royal Box, in sea view rooms at the hotel all the players use, (The Monte Carlo Bay); with privilege passes to the Monte Carlo Country Club and the VIP village; and a helicopter flight to whisk you back to Nice Airport at the end, **you will pay significantly less than for just one day at Wimbledon.**

We have an allocation of ten pairs of OFFICIAL VIP PACKAGES and are offering them now on a first come first served basis - firstly to our MEMBERS such as yourselves and then to our full database.

All of our tailored packages to the Rolex tennis guarantee you 3 great things

- ❖ three nights at the Monte Carlo Bay hotel where the players stay and which is within walking distance of the Monte Carlo Country Club
- ❖ being met by private car at Nice airport and being whisked back by helicopter
- ❖ the guarantee of great official seats for the tennis.

We have detailed here the VIP packages including wonderful sea view rooms, and hospitality at the Monte Carlo Country Club based on two days at the tennis.

But we'd be delighted to tailor your trip, so for example, if you would only like to visit the tennis once during your stay; or perhaps would like just seats and not go to the expense of the VIP hospitality at the club as well, then please just tell us what would suit your mood and your budget and we will quote accordingly.
